

**VENTRAC SERVICE PROGRAM**

OCTOBER 15, 2023 - MARCH 31, 2024

# 2023 VENTRAC WINTER SERVICE PROGRAM

Our factory trained and certified turf equipment technicians will ensure your equipment is professionally serviced and ready to spring into action in 2024.

Our service team will be offering complete equipment service packages, special customer requests and complete hydraulic system flush.

Our service department will make arrangements to pick-up, service and deliver your equipment after all the work has been completed. As a reminder, we have limited space and service capacity, so scheduling will be imperative to ensure all our customers will be accommodated for their service requirements.
